THE END OF THE TOUR, opening Friday, July 31 at The Landmark, tells the story of the five-day interview between novelist and Rolling Stone reporter David Lipsky (Jesse Eisenberg) and acclaimed novelist David Foster Wallace (Jason Segel), which took place right after the 1996 publication of Wallace's groundbreaking epic novel, *Infinite Jest*. As the days go on, a tenuous yet intense relationship seems to develop between journalist and subject. Both Segel and Eisenberg reveal great depths of emotion in their performances and the film is directed with humor and tenderness by James Ponsoldt (*The Spectacular Now*), from Pulitzer Prize-winner Donald Margulies' insightful and heartbreaking screenplay. Filmmaker Ponsoldt will appear in person on Friday, July 31 for a Q&A after the [7:00pm](#) show and on Saturday, August 1 after the [7:00pm](#) show. Tom Cruise is back as Ethan Hunt in **MISSION: IMPOSSIBLE ROGUE NATION**, opening at The Landmark on Thursday, July 30 at [8:00pm](#), with daily screenings beginning Friday, July 31.

SPECIAL APPEARANCES: BEST OF ENEMIES, opening at The Landmark, documents the legendary series of nationally televised debates in 1968 between liberal Gore Vidal and conservative William F. Buckley Jr. Director Morgan Neville will appear in person on Friday, July 31 for a Q&A after the [7:40pm](#) show, moderated by Ted Mundorff, CEO/President of Landmark Theatres. In **LISTEN TO ME MARLON**, also opening at The Landmark, acclaimed and influential actor Marlon Brando gives a powerful confessional autobiography in a riveting portrait of an unforgettable man. Producer John Battsek and Rebecca Brando will appear in person on Friday, July 31 for a Q&A after the [7:20pm](#) show. **THE LOOK OF SILENCE**, now playing exclusively at the Nuart Theatre, is Joshua Oppenheimer's powerful companion piece to his Oscar-nominated documentary *The Act of Killing*. Filmmaker Oppenheimer will appear in person on Sunday, August 2 for Q&As after the [4:50pm](#) and [7:30pm](#) shows.
